

The **St Croix Falls Public Library** brings library service to over **5,792** people annually. In 2017, area residents borrowed **67,390** library items, from books to electronic resources to magazines, music and movies. The library is an information resource, helping people find answers to a multitude of questions. Library doors are open 43 hours a week, connecting people with ideas, information and one another. **56150** people visited our library in 2017.

The world we are living in today has never needed libraries more. Libraries are empowerment engines—the front lines of empowering individuals and communities to make the world a better place. Libraries are positioned to make our communities stronger, healthier, and safer places to live, work, learn and play.
